Response to Notice Requiring Excess Claim Fee

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Applicant responds as follows to the March 3, 2009 Notice Requiring Excess Claims Fee in connection with the Amendment filed March 2, 2009. Applicant submits that no additional claim fee is required and requests that the Amendment be entered as filed.

First, applicant attaches a copy of the December 12, 2003 Patent Application Fee Determination Record (PTO-875) indicating that 38 total claims and 8 independent claims are in the application.

Second, applicant attaches a copy of the May 27, 2008 Patent Application Fee Determination Record (PTO/SB/06) indicating that 38 total claims and 4 independent claims are in the application, but indicating that 38 total claims and 8 independent claims have been previously paid for in the application.

Third, applicant attaches a copy of the March 2, 2009 Patent Application Fee Determination Record (PTO/SB/06) indicating that 43 total claims and 8 independent claims are in the application, but indicating that 38 total claims and 8 independent claims have been paid for in the application.

Fourth, applicant attaches a copy of a March 2, 2009 Electronic Patent Application Fee Transmittal, filed on the same day as but later than the March 2,

2009 Amendment, indicating a payment for 5 additional claims for a total of 43 claims and 8 independent claims in the application.

Fifth, applicant attaches a copy of the March 2, 2009 Electronic Acknowledgement Receipt indicating payment for the 5 additional claims on March 2, 2009.

Accordingly, the application currently contains 43 total claims and 8 independent claims. The original application contained 38 total claims and 8 independent claims. The attached March 2, 2009 Electronic Acknowledgement Receipt confirms that on March 2, 2009 applicant paid for 5 claims in addition to the 38 total claims paid for with the original application. Applicant submit, therefore, that there is no excess claim fee due in connection with the present application. Applicant requests, therefore, that the requirement for additional excess claim fees be withdrawn.

Applicant believes the application is in condition for consideration and respectfully requests the same.
